

## **Who are we?**

Wellspring Home Health Care understands the importance of personalized care, reliable caregivers, and a highly qualified, multi-disciplinary team of professionals that will "go the extra mile" to ensure the health and well-being of our patients. We care deeply about helping our patients achieve the highest level of independence in their day-to-day activities, and are committed to working closely with your primary care physician, family members, and our team of skilled caregivers, to coordinate the highest quality treatment and follow-up home care in Anchorage, Eagle River, Wasilla, Sutton, Palmer and all of the Mat-Su Valley.

## **What are we looking for?**

### **A Registered Nurse to join our professional team!**

#### **A Day in the Life:**

To provide nursing care in accordance with the patient's plan of care to include comprehensive health and psychosocial evaluation, monitoring of the patient's condition, health promotion and prevention coordination of services, teaching and training activities, and direct nursing care.

1. Coordinates total patient care by conducting comprehensive health and psychosocial evaluation, monitoring the patient's condition, promoting sound preventive practices, coordinating services, and teaching and training activities.
2. Performs admission Oasis, transfers, re-certification, resumption of care, and discharge OASIS for the home care patient.
3. Consults with the attending physician concerning alterations of Patient Care Plans, checks with the appropriate supervisor, and makes changes, as appropriate.
4. Submits clinical notes no less often than 24 hours a day, and progress notes and other clinical record forms outlining the services rendered as indicated
5. Participates in case conferences, discusses with the supervisor problems concerning the patients and how they may best be handled
6. Discusses with the appropriate supervisor the need for the involvement of other members of the health team such as the HHA/CNA, the Physical Therapist, the Speech Therapist, the Occupational Therapist, The Medical Social Worker, etc.
7. Participates in the patient's discharge planning process
8. It will be requested by the Director of Clinical Services to fill in for the other nurses who are on vacation or sick leave.

**What we require:**

- Must be a graduate from an accredited School of Nursing and Alaska State license as a Registered Nurse.
- Must have 3 years of experience in home health nursing and be well versed in providing an initial and ongoing comprehensive assessment of the patient's needs including Outcome & Assessment Information Set (OASIS) assessments.
- Skillful in organization and principles of time management with knowledge of management processes.
- Must pass a criminal background check, drug screening, fingerprinting, and have CPR certification/Immunization record up to date, including TB.
- Must be willing to drive to all job locations Anchorage and All Mat-Su Valley, Eagle River, Chugiak, Sutton & North Willow.
- Must have a valid Driver's License/valid auto insurance with a clean driving record.
- Must be a great Team player.

**Is this you?**

- The desire to make a difference in others' lives by providing quality care
- The desire for a rewarding and fulfilling position
- Flexible schedule when working in the field
- Seeking competitive pay/Benefits: Health, dental, vision, 401k & more.
