exterior of the building without first obtaining the consent of the Lessor in writing, which consent
shall not be unreasonably withheld, and thereafter, any and all leasehold improvements made to
the Premises which become affixed or attached to the leasehold Premises shall remain the
property of the Lessor at the expiration or termination of this Agreement. Furthermore, any
leasehold improvements shall be made only in accordance with applicable federal, state, or local
codes, ordinances, or regulations, having due regard for the type of construction of the building
housing the subject leasehold Premises. If the Lessee makes any improvements to the Premises
the Lessee shall be responsible payment, except the following:

________________________________________________________________________

Nothing in this Agreement shall be construed to authorize the Lessee or any other person acting
for the Lessee to encumber the rents of the Premises or the interest of the Lessee in the
Premises or any person under and through whom the Lessee has acquired its interest in the
Premises with a mechanic’s lien or any other type of encumbrance. Under no circumstance shall
the Lessee be construed to be the agent, employee, or representative of Lessor. In the event a
lien is placed against the Premises, through actions of the Lessee, Lessee will promptly pay the
same or bond against the same and take steps immediately to have such lien removed. If the
Lessee fails to have the lien removed, the Lessor shall take steps to remove the lien, and the
Lessee shall pay Lessor for all expenses related to the lien and removal thereof and shall be in
default of this Agreement.

XI. DEFAULT AND POSSESSION
In the event that the Lessee shall fail to pay said Rent, and expenses as set forth herein, or any
part thereof, when the same is due and payable, or shall otherwise be in default of any other
terms of said Agreement for a period of more than 15 days, after receiving notice of said default,
then the parties hereto expressly agree and covenant that the Lessor may declare this
Agreement terminated and may immediately re-enter said Premises and take possession of the
same together with any of Lessee’s personal property, equipment or fixtures left on the Premises
which items may be held by the Lessor as security for the Lessee’s eventual payment and/or
satisfaction of rental defaults or other defaults of

Lessee under this Agreement. It is further agreed that if the Lessee is in default, that the Lessor
shall be entitled to take any and all action to protect its interest in the personal property and
equipment, to prevent
Unauthorized removal of said property or equipment which threatened action would be deemed to constitute irreparable harm and injury to the Lessor in violation of its security interest in said items of personal property. Furthermore, in the event of default, the Lessor may expressly undertake all reasonable preparations and efforts to release the Premises including, but not limited to, the removal of all inventory, equipment or leasehold improvements of the Lessee’s, at the Lessee’s expense, without the need to first procure an order of any court to do so, although obligated in the interim to undertake reasonable steps and procedures to safeguard the value of Lessee’s property, including the storage of the same, under reasonable terms and conditions at Lessee’s expense, and, in addition, it is understood that the Lessor may sue the Lessee for any damages or past Rents due and owing and may undertake all and additional legal remedies then available.

In the event any legal action must be instituted to enforce any terms or provisions under this Agreement, then the prevailing party in said action shall be entitled to recover a reasonable attorney’s fee in addition to all costs of said action.

XII. LICENCES AND PERMITS
A copy of all local, state, or federal permits acquired by the Lessee which are required for the use of the Premises shall always be kept on-site and shall be readily accessible and produced to the Lessor and/or their agents or any local, state, or federal officials upon demand.

XIII. OBLIGATIONS OF LESSEE
The Lessee shall properly maintain the Premises in a good, safe, and clean condition. The Lessee shall properly and promptly remove all rubbish and hazardous wastes and see that the same are properly disposed of according to all local, state, or federal laws, rules, regulations, or ordinances.

In the event the structure of the Premises is damaged as a result of any neglect or negligence of Lessee, their employees, agents, business invitees, or any independent contractors serving the Lessee or in any way as a result of Lessee’s use and occupancy of the Premises, then the Lessee shall be primarily responsible for seeing that the proper claims are placed with the Lessee’s insurance company, or the damaging party’s insurance company, and shall furthermore be responsible for seeing that the building is safeguarded with respect to said damage and that all proper notices with respect to said damage, are made in a timely fashion, including notice to the Lessor, and the party or parties causing said damage. Any damage that is not covered by an insurance company will be the liability of the Lessee.

The Lessee shall, during the Term of this Agreement, and in the renewal thereof, at its sole expense, keep the interior of the Premises in as good a condition and repair as it is at the date of this Agreement, reasonable wear and use excepted. This obligation would include the obligation to replace any plate glass damaged as a result of the neglect or acts of Lessee or her guests or invitees. Furthermore, the Lessee shall not knowingly commit nor permit to be committed any act or thing contrary to the rules and regulations prescribed from time to time by any federal, state, or local authorities and shall expressly not be allowed to keep or maintain any hazardous waste materials or contaminates on the Premises. Lessee shall also be responsible for the cost, if any, which would be incurred to bring her contemplated operation and business activity into compliance with any law or regulation of a federal, state, or local authority.

XIV. INSURANCE
In the event the Lessee shall fail to obtain the insurance required hereunder and fails to maintain the same in force continuously during the Term, Lessor may, but shall not be required to, obtain the same and charge the Lessee for same as additional Rent. Furthermore, Lessee agrees not to keep upon the Premises any articles or goods which may be prohibited by the standard form of fire insurance policy, and in the event, the insurance rates applicable to fire and extended coverage covering the Premises shall be increased by reason of any use of the Premises made
by Lessee, then Lessee shall pay to Lessor, upon demand, such increase in insurance premium as shall be caused by said use or Lessee’s proportionate share of any such increase.

XV. **SUBLET/ASSIGNMENT**
The Lessee may not transfer or assign this Agreement or any right or interest hereunder or sublet said leased Premises or any part thereof without first obtaining the prior written consent and approval of the Lessor.

XVI. **DAMAGE TO LEASED PREMISES**
In the event the building housing the Premises shall be destroyed or damaged as a result of any fire or other casualty which is not the result of the intentional acts or neglect of Lessee and which precludes or adversely affects the Lessee’s occupancy of the Premises, then in every such cause, the Rent herein set forth shall be abated or adjusted according to the extent to which the leased Premises have been rendered unfit for use and occupation by the Lessee and until the demised Premises have been put in a condition at the expense of the Lessor, at least to the extent of the value and as nearly as possible to the condition of the Premises existing immediately prior to such damage. It is understood, however, in the event of total or substantial destruction to the Premises that in no event shall the Lessor’s obligation to restore, replace or rebuild exceed an amount equal to the sum of the insurance proceeds available for reconstruction with respect to said damage.

XVII. **INDEMNIFICATION**
The Lessee hereby covenants and agrees to indemnify, defend, and hold the Lessor harmless from any and all claims or liabilities which may arise from any cause whatsoever as a result of Lessee’s use and occupancy of the Premises, and further shall indemnify the Lessor for any losses which the Lessor may suffer in connection with the Lessee's use and occupancy or care, custody, and control of the Premises. The Lessee also hereby covenants and agrees to indemnify and hold harmless the Lessor from any and all claims or liabilities which may arise from any latent defects in the subject Premises that the Lessor is not aware of at the signing of the lease or at any time during the Term.

XVIII. **BANKRUPTCY - INSOLVENCY**
The Lessee agrees that in the event all or a substantial portion of the Lessee’s assets are placed in the hands of a receiver or a Trustee, and such status continues for a period of 30 days, or should the Lessee make an assignment for the benefit of creditors or be adjudicated bankrupt; or should the Lessee institute any proceedings under the bankruptcy act or any amendment thereto, then such Agreement or interest in and to the leased Premises shall not become an asset in any such proceedings and, in such event, and in addition to any and all other remedies of the Lessor hereunder or by law provided, it shall be lawful for the Lessor to declare the Term hereof ended and to re-enter the leased land and take possession thereof and all improvements thereon and to remove all persons therefrom, and the Lessee shall have no further claim thereon.

XIX. **SUBORDINATION AND ATTORNMENT**
Upon request of the Lessor, Lessee will subordinate its rights hereunder to the lien of any mortgage now or hereafter in force against the property or any portion thereof, and to all advances made or hereafter to be made upon the security thereof, and to any ground or underlying lease of the property provided, however, that in such case the holder of such mortgage or the Lessor under such Agreement shall agree that this Agreement shall not be divested or in any way affected by foreclosure, or other default proceedings under the said mortgage, obligation secured thereby, or agreement, so long as the Lessee shall not be in default under the terms of this Agreement. Lessee agrees that this Agreement shall remain in full force and effect notwithstanding any such default proceedings under said mortgage or obligation secured thereby.
Lessee shall, in the event of the sale or assignment of Lessor's interest in the building of which the Premises form a part, or in the event of any proceedings brought for the foreclosure of, or in the event of exercise of the power of sale under any mortgage made by Lessor covering the Premises, attorn to the purchaser and recognize such purchaser as Lessor under this Agreement.

XX. MISCELLANEOUS TERMS

Lessee shall not conduct or permit to be conducted upon the Premises any business or permit any act which is contrary to or in violation of any law, rules or regulations and requirements that may be imposed by any authority or any insurance company with which the Premises is insured, nor will the Lessee allow the Premises to be used in any way which will invalidate or be in conflict with any insurance policies applicable to the building. Furthermore, Lessee shall not install or use any equipment that will cause undue interference with the peaceable and quiet enjoyment of the Premises by other tenants of the building.
